Sista Connections

Sista Connections is an aspirational program where Aboriginal girls attending Hastings Secondary College feel safe, nurtured and inspired. The program aims to encourage engagement with education through positive role modelling and provide clear career pathways. Sista Connections supports our female Aboriginal students to build constructive relationships with each other, the college, their families and the broader community.

The program will equip the girls with the tools they need to achieve their goals and aspirations.

The program is built on the foundations of:

- ◆ Wellbeing – Healthy Lifestyles
- ◆ Women’s Business
- ◆ Academic Support – in-class Support
- ◆ Literacy Skills
- ◆ Attendance
- ◆ Assessment submission support
- ◆ Community Connections
- ◆ Empowerment
- ◆ Entrepreneurialism
- ◆ Employment Pathways
- ◆ College Connections
